***The third time you do the double set of B, you will be facing the front wall....walk forward 4 steps.**

Easy pattern of the dance:

Section AA , Section BB, Section AA, Section BB, Section AA, Section BB – Walk forward four counts...Section A the rest of the song.

Even though this dance is tagged as a high beginner, the steps are simple and the pattern goes along with the music. It's a great way to introduce dances with tags to beginner plus level dancers. Have fun with it!
