Begin dance again.

For Contra: Begin with 2 lines *back to back*. With the ¼ turn right the 2 lines will move away from each other. With the ¾ turn, the 2 lines will be facing each other. With the step/stomps forward and the step hitches, the 2 lines will *cross* each other and be back to back again to start the dance over again. The 2 lines will have exchanged positions: (the line facing front wall originally, is now facing the back wall to start the dance over, and the line originally facing the back wall, is now facing front wall)
