- 7,8 Step forward on left foot, Stomp right next to right (taking weight to right)

REPEAT

* the counts 6,7,8 of this section are not the original choreography (clap on 6, two quick hip pulls for 7&8). But this dance was varied when done in Atlanta, GA with no clap and 2 slow hip pulls. Since this dance is still done with the variation of slow hip pulls, it's written this way in this step sheet.
