\*\*\*Choreographers' Note: This can be taught as a one wall dance, ...however, with the last 8 counts you can incorporate a left turn on count 7 to make it a 4 wall dance, or incorporate a left turn on 5 and another left turn on 7 to make it a 2 wall dance. Also the Side Steps can be done as grapevines and can be done as full 3 count turns to the right (end with touch on count 4) and a 3 count 1¼ turn to the left, (end with a touch on count 8). Enjoy and have fun!
