**Wild Bill's Every Wednesday night!** Open to the public. Doors open at 7:00 PM, Line Dance lessons from 7:30 to 8:30 PM. Usually 3 dances are taught – a Basic Beginner one for NEW dancers, a High Beginner Dance (one that's a bit harder), and an Intermediate dance for the experienced dancers. After lessons, Rose dances on the floor for about an hour, leading the easy dances taught in previous weeks so that new dancers can continue to dance instead of trying to follow the harder dances or “sitting it out”! With the huge floor, 2 to 3 different dances are usually done to the same song and there is with plenty of room for “freestyle” dancers, and couples dancers too!
